Marksmen '56

WATCH over our school, O Lord, as its years increase, and bless and guide her sons wherever they may be, keeping them ever unspotted from the world. Let their hearts be warm with the flame of their boyhood ideals, their faith unshaken, their principles immovable. Be Thou by their side when the dark hour shall come upon them. Strengthen them when they stand, comfort them when they are weakhearted, raise them up if they fall. Let the Cross never grow dim to their eyes; but through the struggles and sufferings that may attend their steps, let its radiance lead them heavenward; and in their hearts may Thy peace, which passeth understanding, abide all the days of their life; through Jesus Christ our Lord.

william amory gardner

ADVERTISEMENTS

dedication

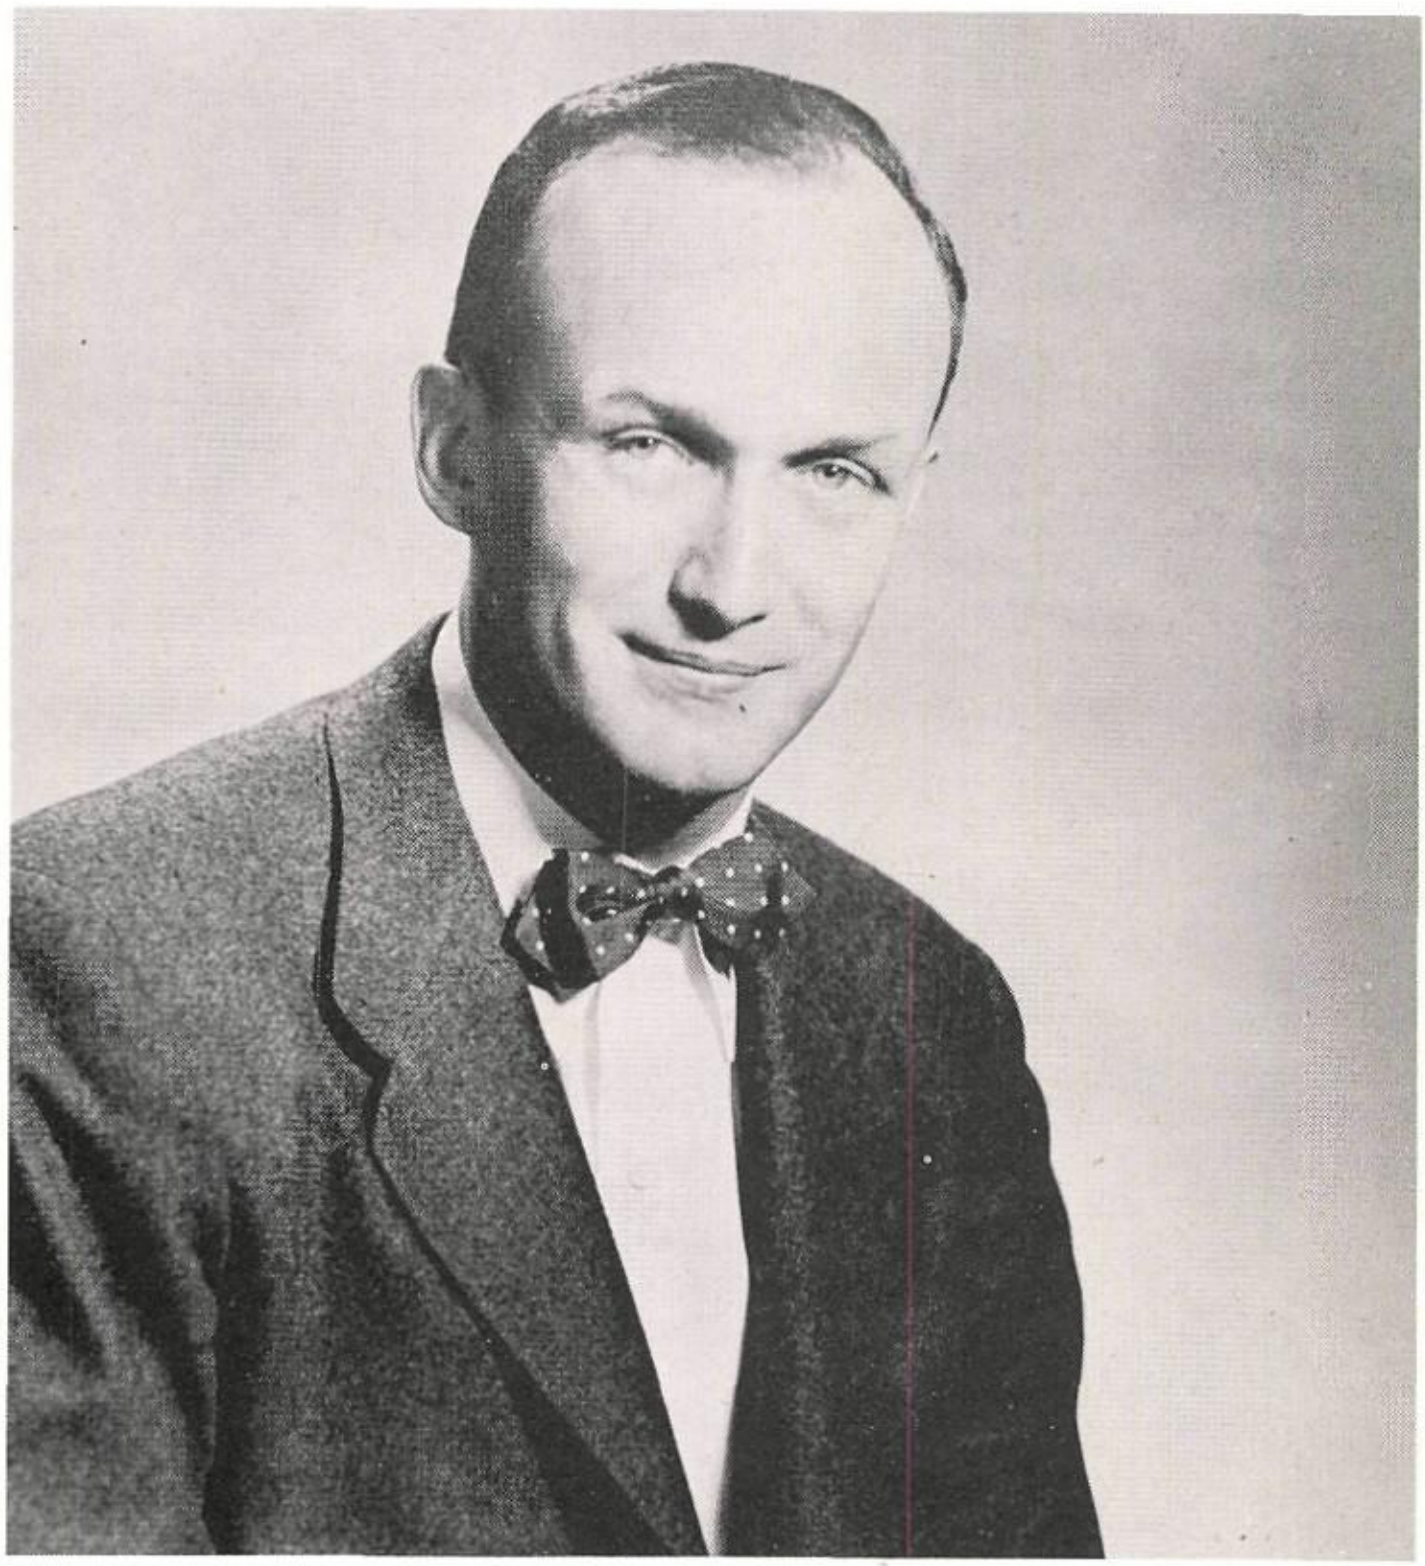
for his untiring efforts in making st. mark's an academic institution of which we are most proud.

for his advice in our personal problems and those involving our class—from this we never failed to gain a new insight.

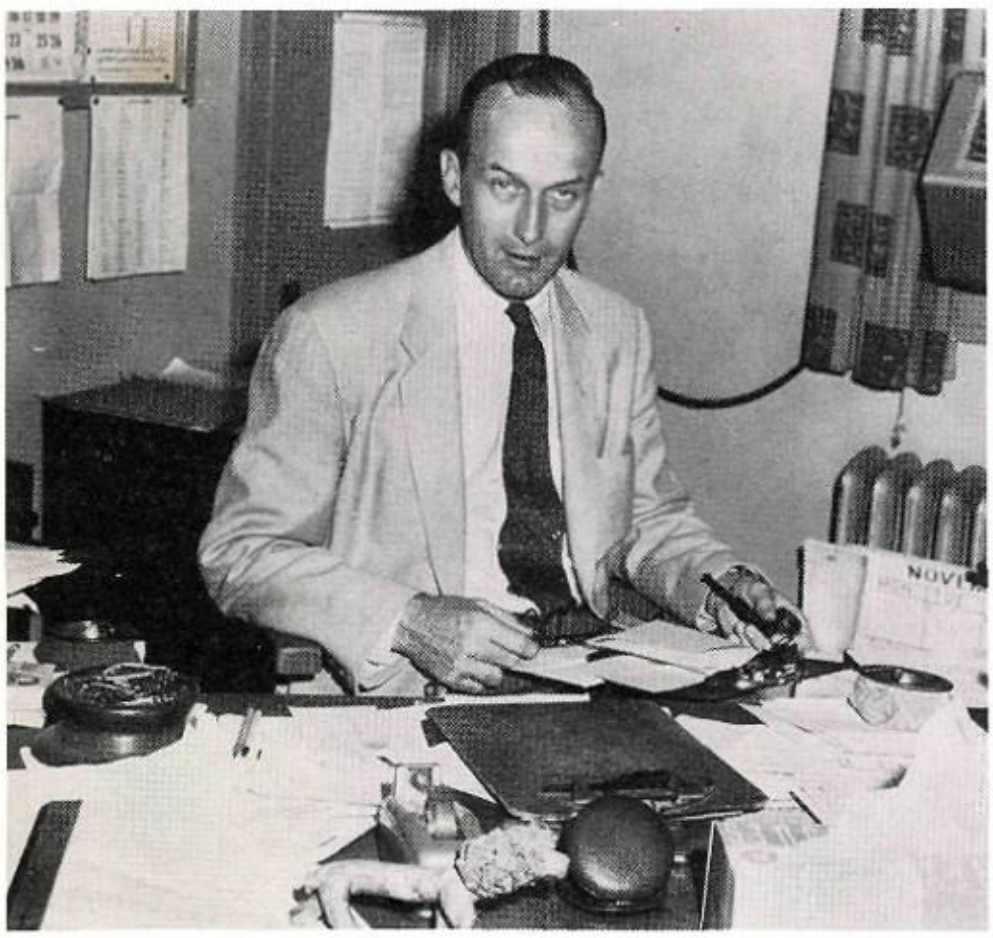
for these, but most of all for what he has taught us—not only in the classroom, but also in the simple act of exposing us to his ideas, ideals, and personality. knowing him has been an education—an inspiration.

in truth, st. mark's is a direct reflection of him and what he stands for. and for this we shall be eternally grateful to mr. robert h. iglehart.

the class of 1956



headmaster's message



we know that from facts and their interrelationships we derive abstractions. we know too that ten years from this day you present graduates will carry in your active consciousness precious few of the facts imparted to you in your secondary schooling. for by that time we shall expect you to be well on with the distillation of factual teaching into those abstract truths by which all men live and some men lead: that Accuracy is an edged tool indispensable in this technological age; that our growing urge to *serve* this society is the surest guide of our methodic hand; that truly strong men are humble and compassionate in wielding the tools of science; that our material gains from the skilled trades of men are without great import in the slow, inexorable carving of our epitaphs.

these truths, decanted from the rather muddy mixture of our traffic with things and ideas, may give you, God willing, the moral and social standards that do credit to men of Christian stature.

take with you, from us your friends and one-time mentors, fervent wishes for your good works. for these will come to pass as the fine skill is governed by high intent.

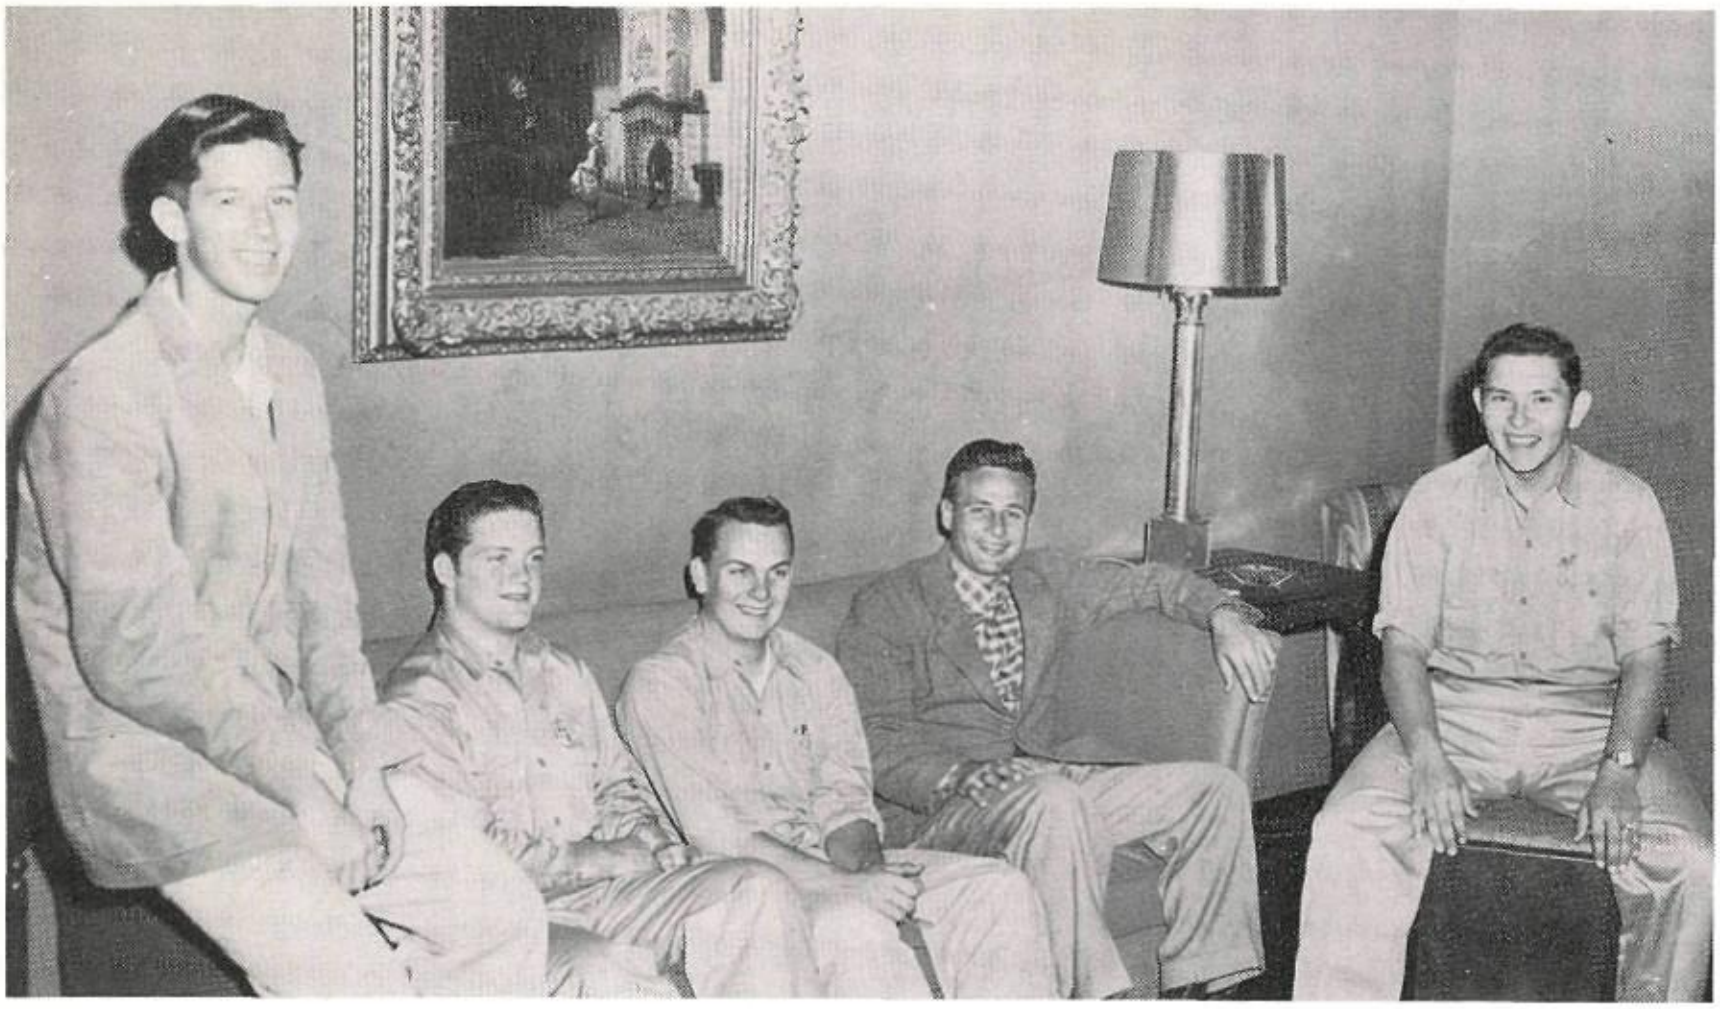
underclassmen

juniors



mike rudman, senior advisor; knox henderson, secretary; foster yancey, vice president; mr. hal curry, faculty advisor; john fleet, president.

this year, as before, the class of '57 has shown its ability not only to have its share of honor roll students, but also to be a leader in contributing to the school's various sports.

the junior dance, which this year was in the form of a shipwreck party, proved to be one of the more delightful social events of the year. this was the first dance at which costumes were appropriate, and from the results of the occasion, there will be many more of the same type.

mr. curry, as faculty advisor, has offered the leadership needed to make the class of '57 one of the best, well-rounded groups at st. mark's.

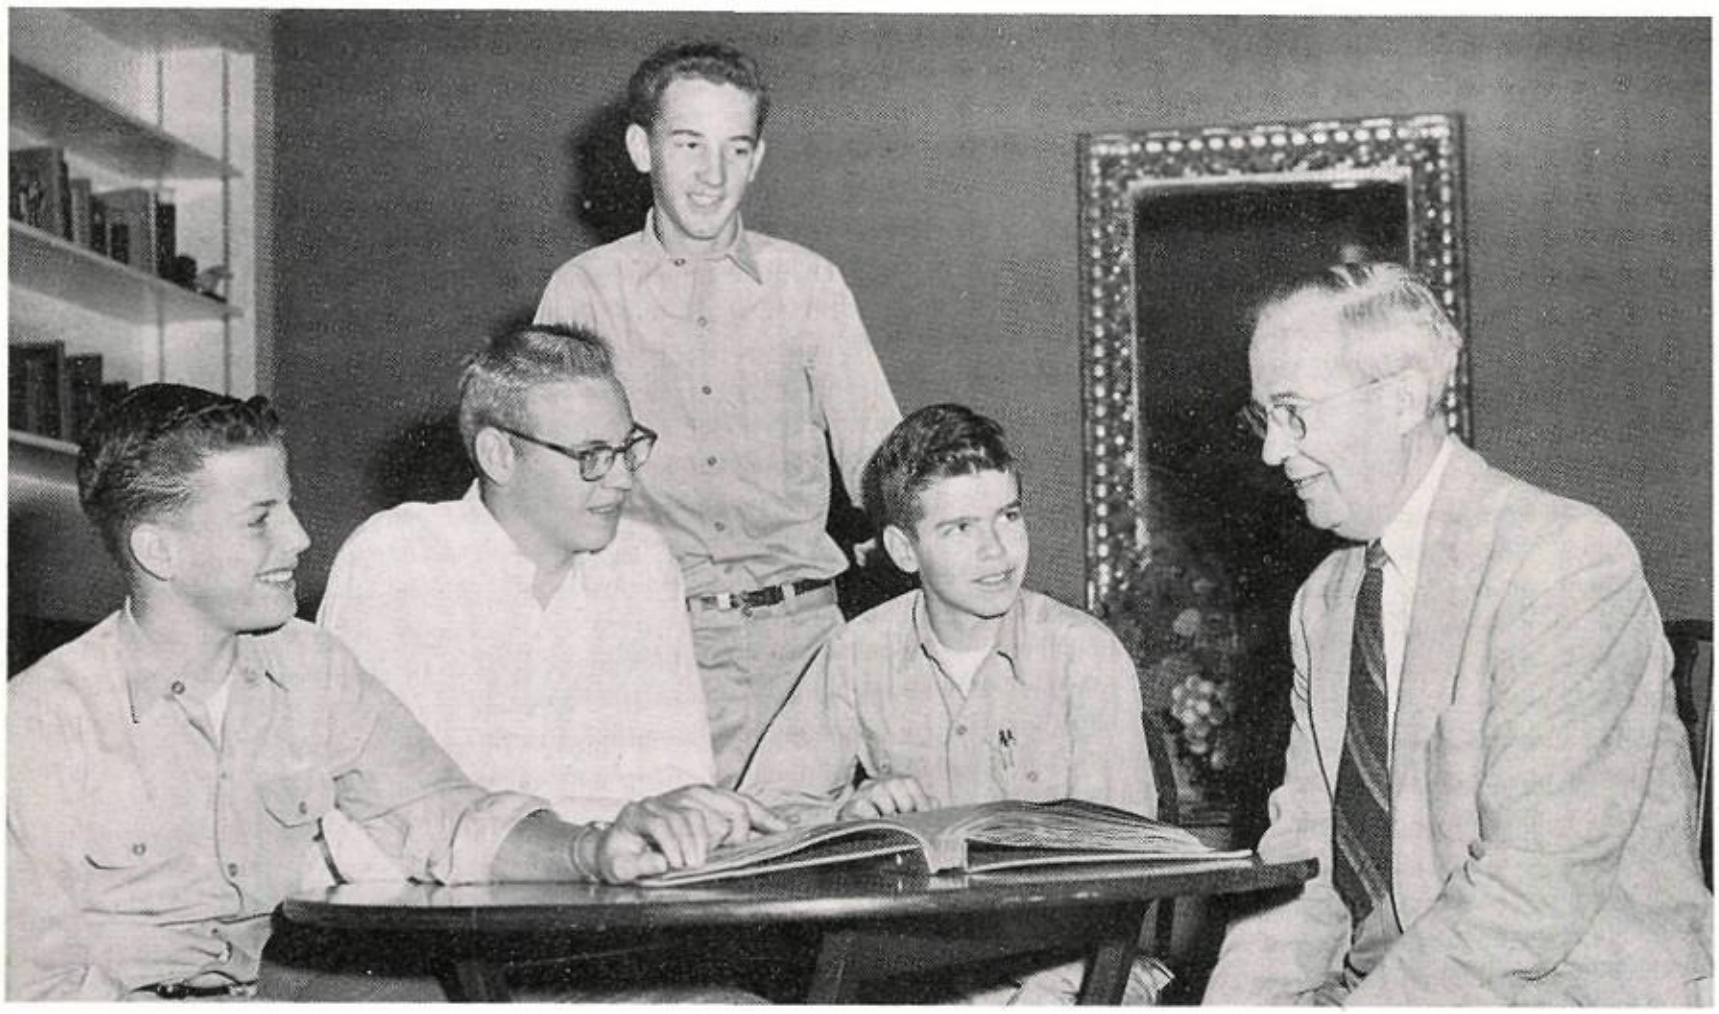
freshmen



officers

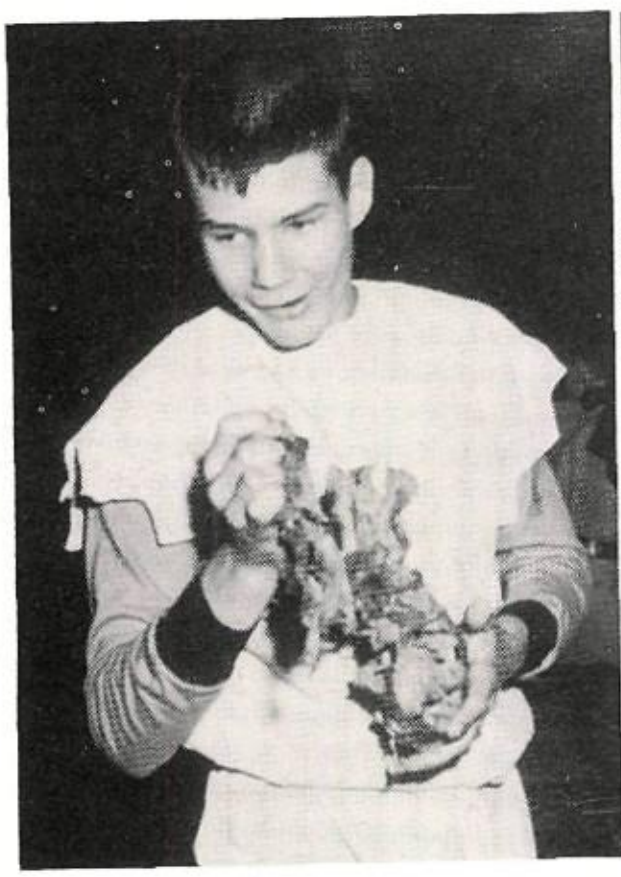
reeve jacques, vice president; rod anderson, senior advisor; bill moore, secretary; bart brown, president; mr. john r. caldow, faculty advisor.

the class of '59, larger this year than last, has been able to place a better than average number on both the first and second honor rolls, and to show great possibilities of receiving many honors in the academic field.

the freshmen were well represented on all junior varsity sports teams, with a large per cent obtaining letters.

this year's traditional freshman dance, the theme of which was a "freshman fair", was a definite success, made possible by the hard-working mothers and members of the class.

in the future we expect to take an increasingly important part in all school activities, for this year's class has many extraordinary abilities.



HILLCREST

sophomores

plack carr, treasurer; john foxworth, vice president; mr. john j. connolly, faculty advisor; jimmy childers, president; bob pickens, secretary; richard scurry, senior advisor.

the class of '58 has already given every indication of excellence in all fields of school endeavor. under the leadership of their officers, the sophomores have once again enhanced their prestige in the school community by the following "special" contributions to school life:

1. purchase of an ad in last year's marksmen.
2. operation of p. a. system at s. m's home games.
3. formation of an intra-class dance club, called "club '58", which holds dances monthly or bi-monthly.
4. publication of a class newspaper, "58 varieties" in the vital parts of school life, too, the sophomores again lead the way. they form the nucleus of the school's sports teams, place high on the honor roll membership, and are generally regarded as the class with the best class spirit.

organizations

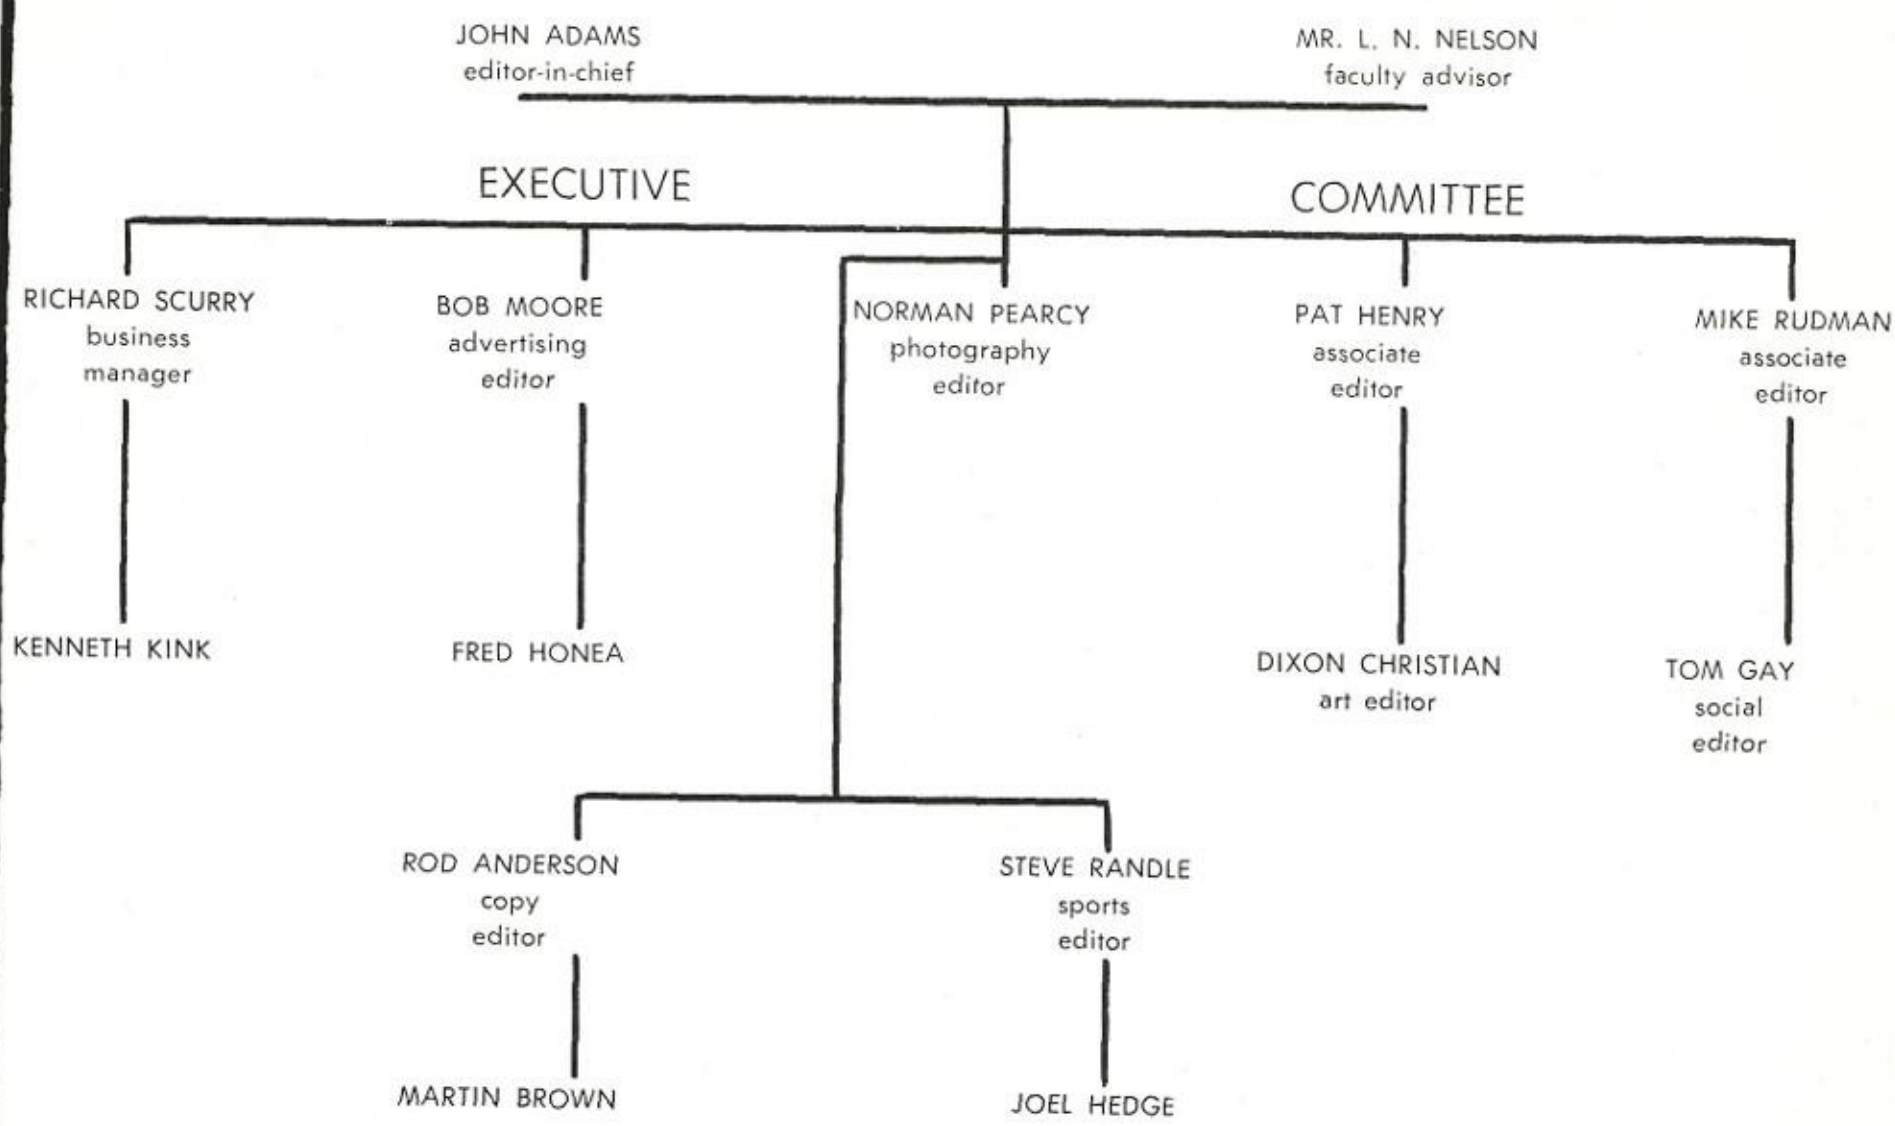
SM

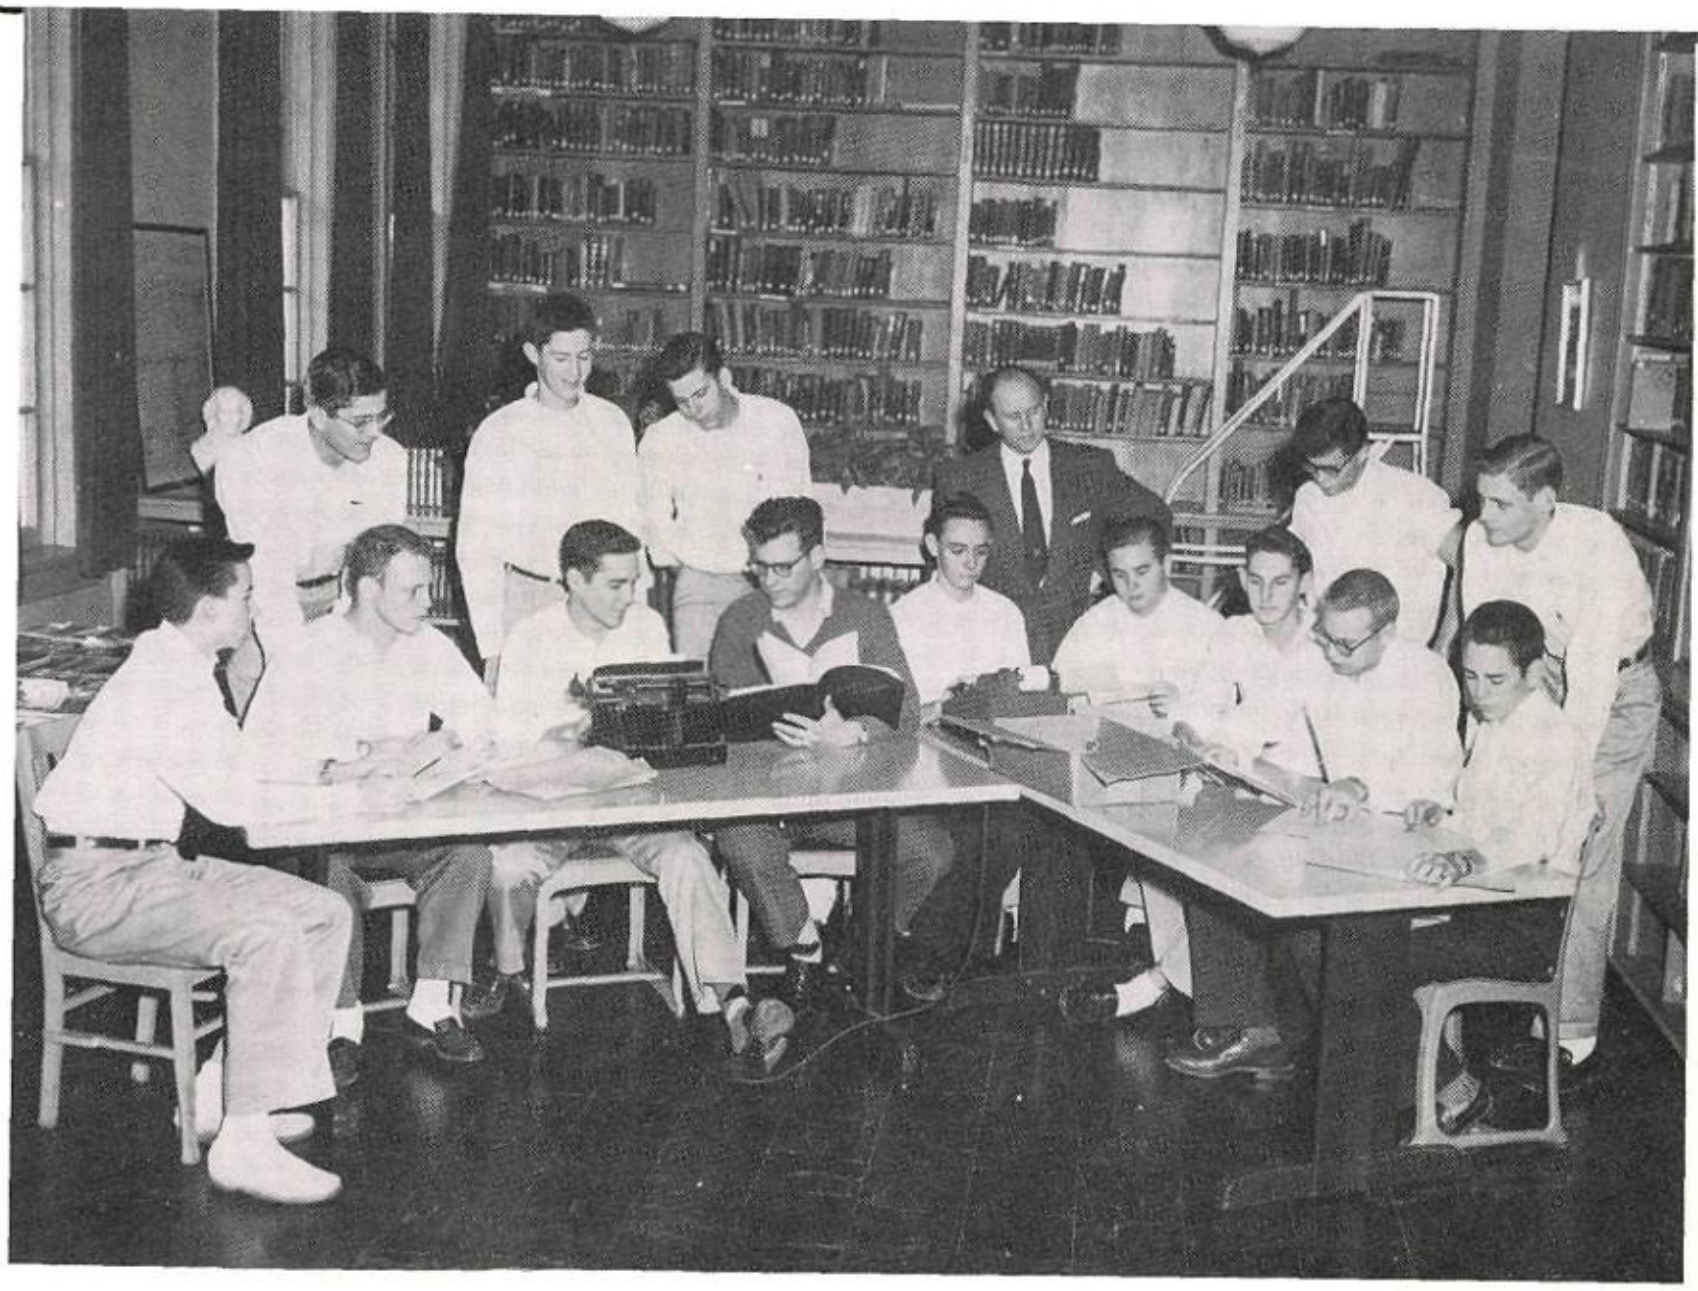
prefects

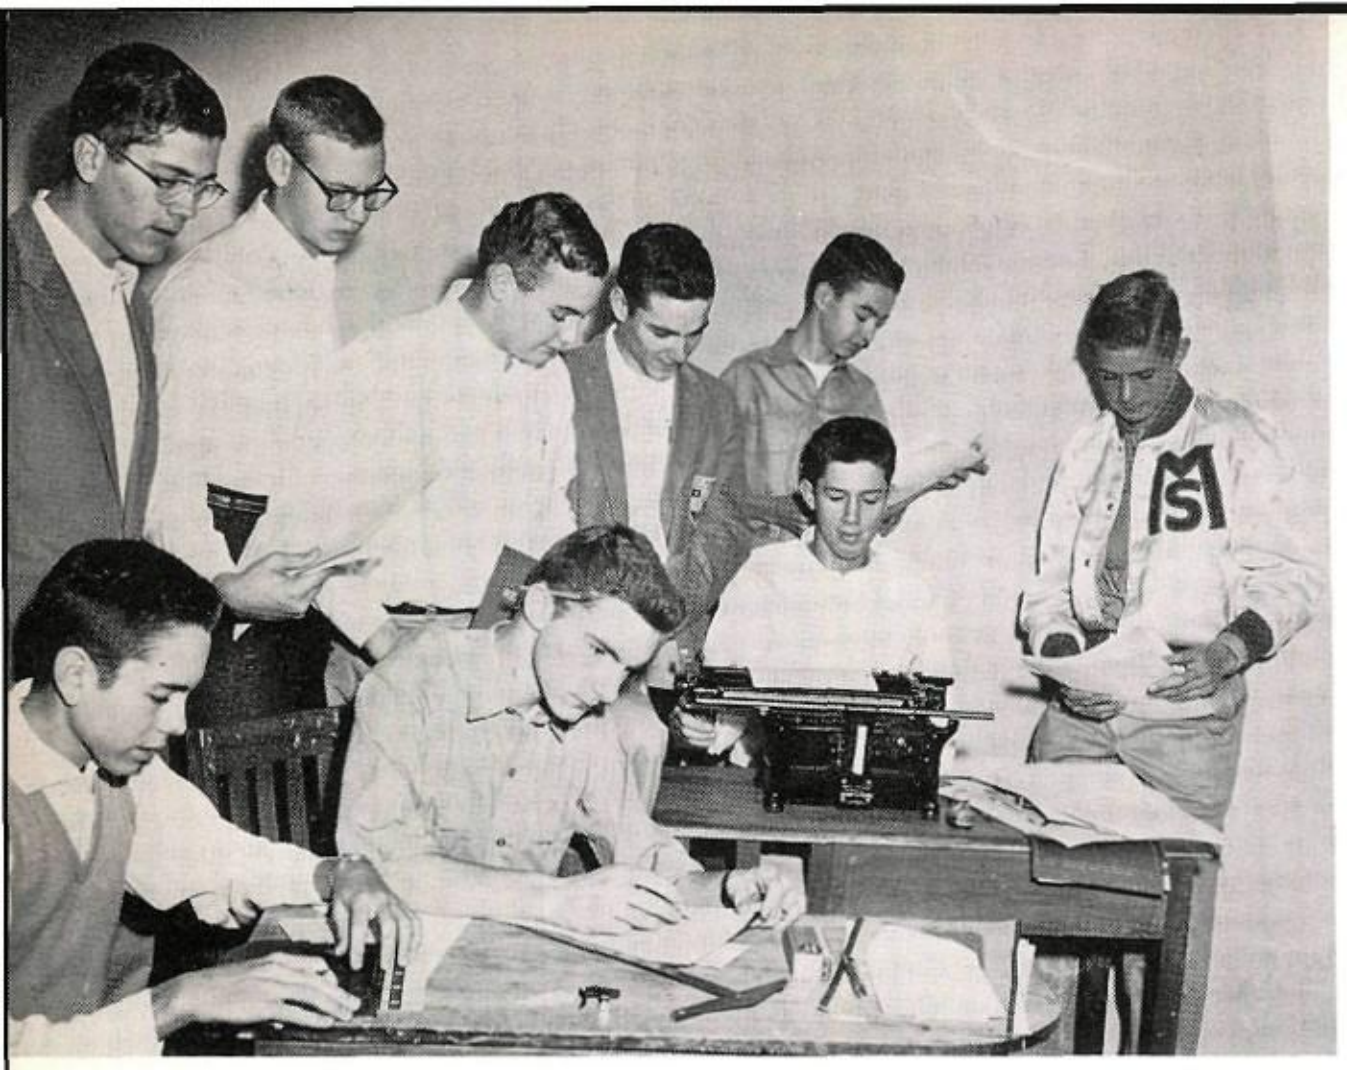
this year marked the advent of a new student governmental system at st. mark's. at last year's final assembly, four boys were named as prefects, beginning in 1955 and extending until they graduate. pat henry was appointed as senior prefect of the school, dixon christian to the senior dormitory prefecture, and mike guttersen and john foxworth as school prefects. they were chosen by the headmaster, in conjunction with the faculty, the student council, and the outgoing senior class. during the fall term, graham gibbard was named to a limited boarding prefecture.

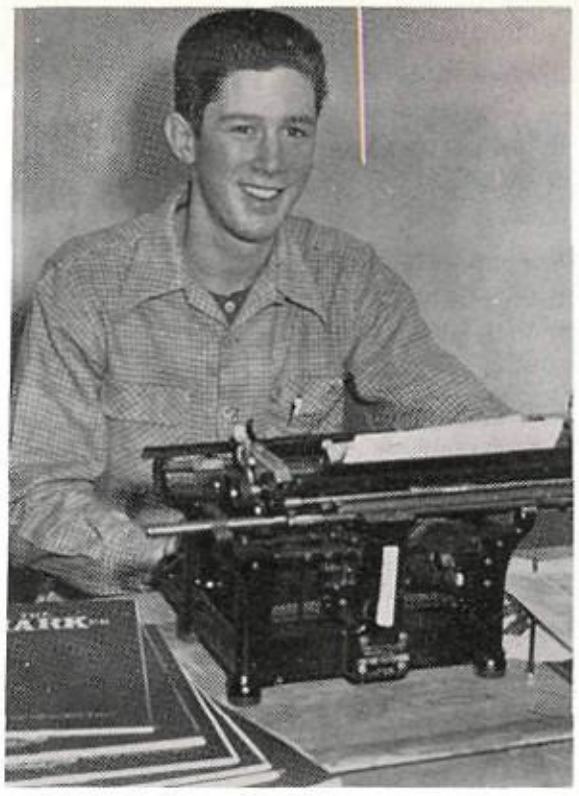
these prefects, working both idividually and together, have been able to make the student government more personal, and thus more effective in school life. they have also gained much in return, for the experience of leadership has been invaluable.

the marksmen staff









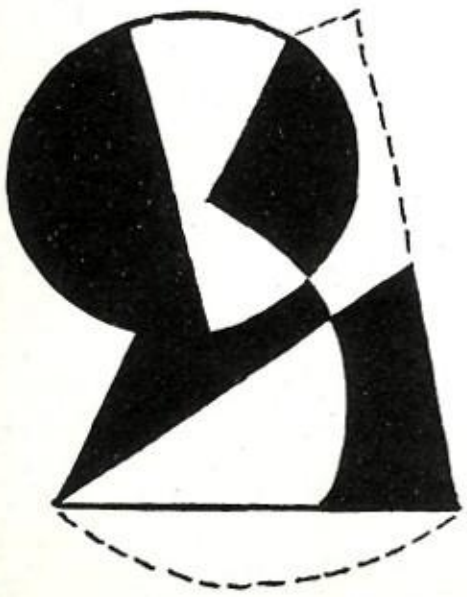
remarker

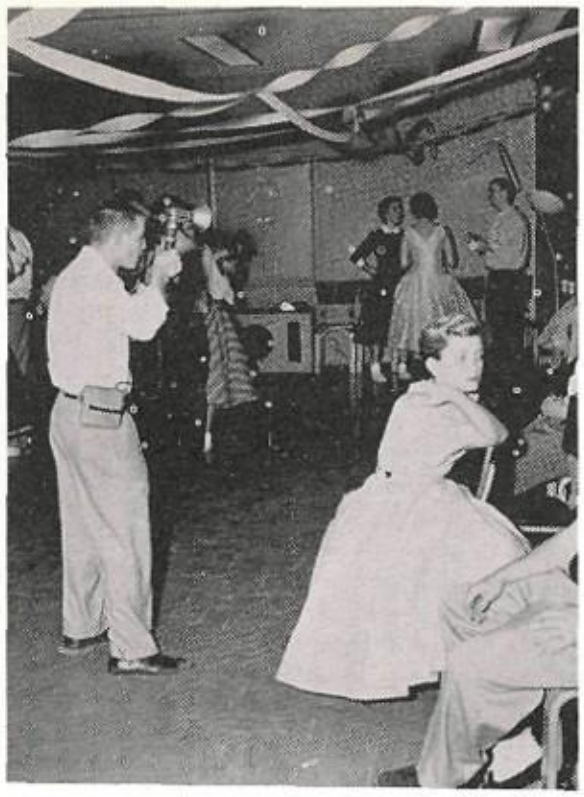
this year the remarker tried something different—organization. several boys were placed in charge of departments and it became their responsibility to draw up the stencils for these for each issue.

howard tygrett was news editor; steve randle, sports; john adams, features; bob moore, hockaday. mike rudman did a remarkable job as editor-in-chief.

the remarker was published every two weeks and during this year became more a part of the Eschool. several new features were added, notably the publishing of the paper in straight right hand columns giving its appearance more of a professional look.

we believe that the student body has finally recognized this publication and is actually taking on active part in it. this is indicated by such things as: letters to the editors; an increased interest in working on the paper. it is our sincere hope that next year's editors will carry on some of the precedents that have been set and instigate new ideas so that the remarker will become even more a voice of the students.





lettermen's club

this year's lettermen's club was one of the most active in the recent history of the school. at the beginning of the school year john adams was elected president, mike rudman, vice president, and houston higgins, business manager. on the recommendation of the officers and the faculty the club decided to adopt a plan by which it shares profits with an outside agency which installs candy and drink dispensers.

the profit from this concession was ample enough for the club to have several parties, the first being held in the park cities 'y' building. dixon christian and norman pearcy headed a dance committee appointed to arrange for social functions.

all in all, this was a very successful year for the organization, and it is hoped that the spirit of vitality which was the keynote of this year's club will continue to grow.

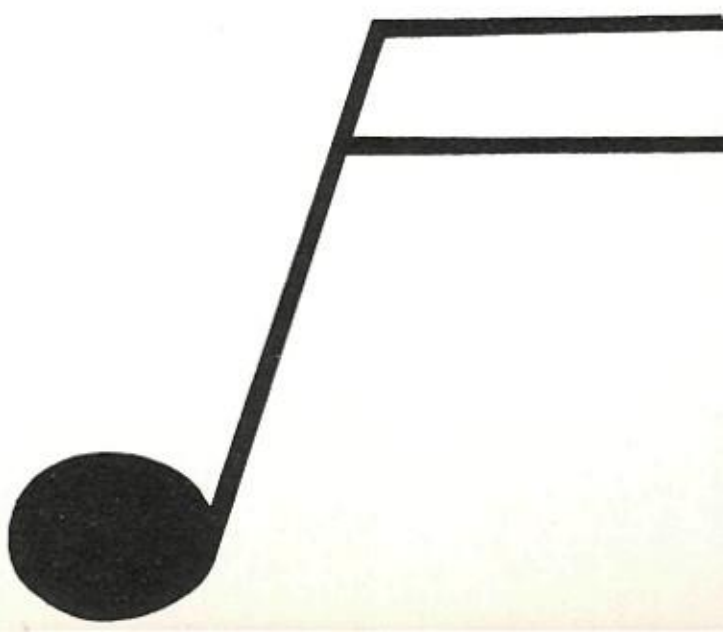
choir

the st. mark's choir, made up of students, faculty, and friends of the school, sings for daily chapel and, on alternate sundays, sings choral evensong. outside activities this year began with a program on november 21 in northway christian church. on december 16, after a busy week which included the annual carol service in the chapel, a program of christmas music in the gymnasium, and carol recitals for the architects' wives' club and the dallas women's club, they left on a weekend tour and sang the service of nine lessons and carols in christ church cathedral, houston, trinity church, galveston, and st. alban's church, waco.

highlights of the second semester were performances of psalm 19 (marcello) and mozart's litanies in b flat on march 13th, and the faure requiem on march 23rd, with the choir of st. luke's episcopal church.

norman w. blake, choirmaster

the annual st. mark's day service was sung on april 29th in the church of the incarnation



instrumental music

the instrumental music program includes band, string ensemble, middle school orchestra, third and fourth grade orchestra, beginning classes, intermediate classes, and the first and second grade music classes. individually and combined, these groups appeared in concerts and recitals during the year. the sports band supported the football team and was available for later sports events.

the active interest and material support of parents gave the cause a great boost in making possible the expansion of the temporary music building, providing needed rehearsal space, better lighting, and a library area. an important step was the provision of two practice rooms, where student ensembles may rehearse, and where boys are able to do the technical and solo practice that is essential to progress.

the band and orchestra parents' and son's banquet, in may, instituted in 1954 is a traditional tribute to the boys whose ambition and determination have built an outstanding instrumental music department.

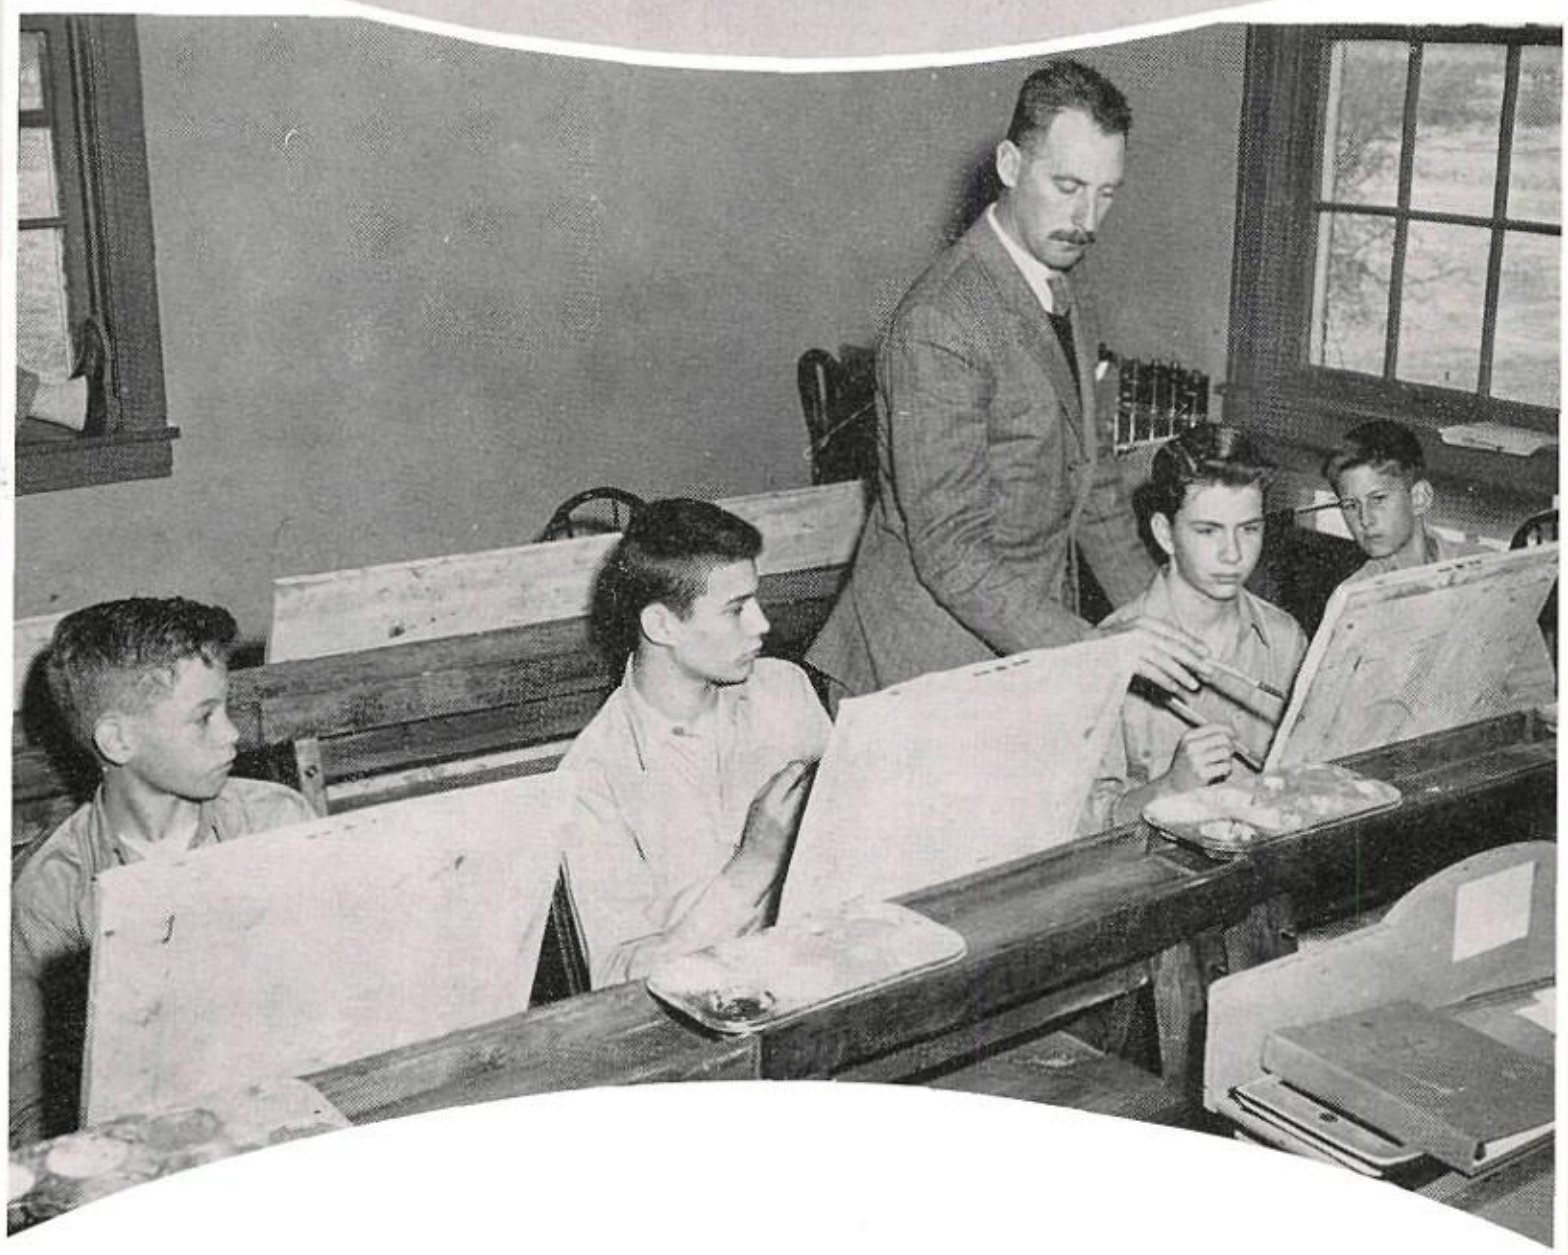
history club

the first public recognition of the history club appears in the 1946 yearbook of the school (then texas country day school), when in col. boyle's absence, mr. boehm, history teacher, was presiding. after that, year by year, the club is noted for growing in popularity and scope. (just how far back the history club dates, is a matter of conjecture.)

meetings, at first held at the school, gradually took the form of informal gatherings at various students' homes and then definitely graduated into formal, well-regulated meetings with prepared programs. as originally stated the purpose of the club was to promote the study of history and especially texas history. there has been no great deviation from that purpose except that topics on all areas have come to receive general recognition.

at present, as in former years, the club meets monthly at the home of some student or teacher. student papers are read and a faculty member is generally invited to speak also. occasionally a good timely movie is shown dealing with some interesting phase of present or past history.

membership is open to all students of history who are passing in all subjects. the history club wishes to extend its thanks and appreciation to all those who have so-kindly afforded it hospitality during this and previous years.



art

mr. arthur douglas came to st. mark's this year from england. he is one of the world's foremost handwriting experts, and is head of our art department.

handwriting is a required course through the tenth grade, and has helped greatly to improve the standard of written work throughout the school.

art courses are elective, and a good percentage of the students have chosen this method of displaying their talent, and enjoyed it. mr. douglas helps these boys to develop their ability in the various forms of art.

the yearbook staff owes its thanks to mr. douglas for the time and effort he has put into it. without his ingenuity and talent, it is doubted whether our book could be as artistic, or our contemporary theme carried to its fullest realization.

glee club

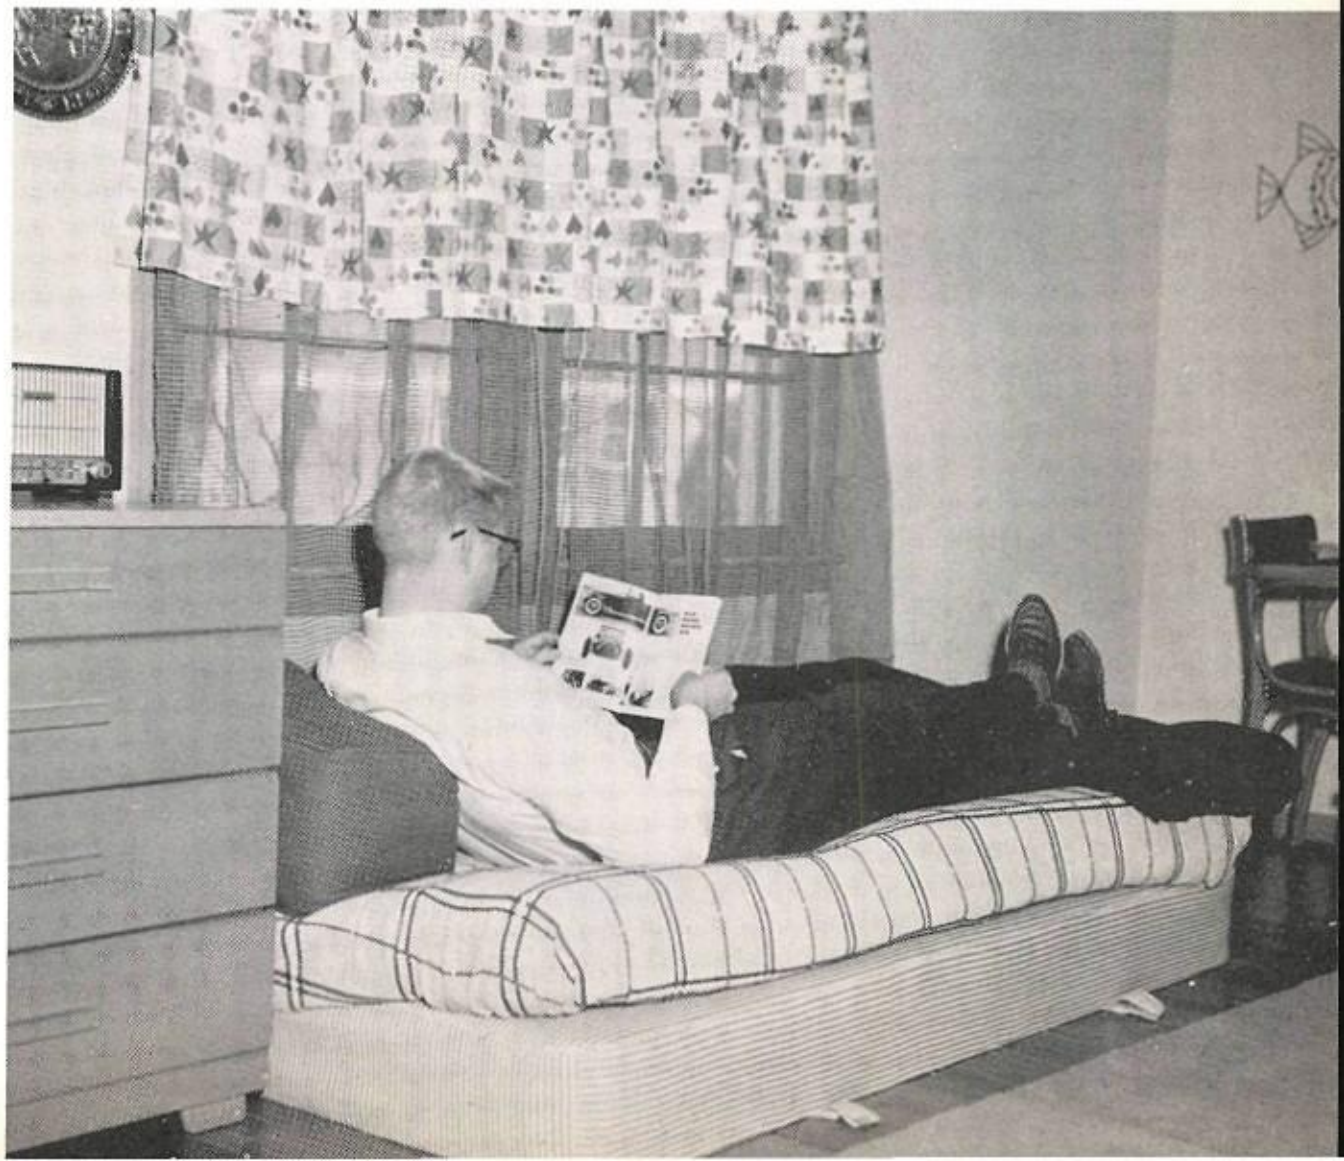
The st. mark's glee club was founded in the spring of 1955, and has since become one of the most popular of the upper school activities. it provides the opportunity for directed group singing to the boys who don't have the experience of singing in the choir, and the members learn something while having a good time.

the club has grown steadily and much of the credit for its vitality goes to mr. norman blake, the director, and bob moore, club president. the other elected officers serving for two years were john adams, business manager, and pat henry, stage manager.

in the spring of this year the st. mark's group was featured as the male chorus in the hockaday concert choir's production of "the wizard of oz." a number of the members played leading parts.

it is hoped that in the future the glee club will be able to take part in more presentations. such an organization has a definite part in a boys' school, and we know that in the years to come it will be popular with the students, and offer an outlet for amusement.

the dormitory



seated: "doc" nelson, martin brown, dixon christian, rod anderson, joel hedge, and mr. connolly. standing: bill roberts, johnny price, hal sweeny, frank letcher, mike guttersen, steve slay, phil hyde, chuck johnson, charlie greenhall, dick evans, ray starnes, roberto ruiz, ricky abbott, jimy jeter, and clarence zuvekus.

upper school boarders

st. mark's small, but well-equipped, boarding department is filled to capacity, this year with students from as close as fort worth and as far away as california. the middle school boarders were entertained by "middle-school parties", to movies, ice and roller skating rinks, bowling alleys, riding stables, and special events. the upper school boarders attended several plays and concerts throughout the year.

seated: mr. rickard, frankie fitch, david west, harry koch, max gifillen, jerry lea, and mrs. fulton.
standing: mr. pearce, mike mcdade, reggie middleton, graham gibbard, don oliver, and mr. douglas.

middle school boarders

many day students spent a few days as transient boarders, while their parents were out of town.

thanks to the mothers' club, the boarders' commons room was redecorated, refurnished, and relighted, this fall, so that it affords even more pleasure to those who use it.

st. mark's 20 muenster 26

st. mark's opened the season against muenster in a close and exciting game. in the first half muenster was clearly the winner; but as the game progressed, the lions came back strong. the lions' second half rally produced three touchdowns and just barely missed a fourth. our first score came when jim williams passed to bob pickens, who lateralled to jim childers for the touchdown. the play covered 67 yards. the second st. mark's td came on a two yard plunge by john foxworth. this capped a long march downfield by the lions. the final score was made by john adams on a 73-yard jaunt, after catching a pass from jim williams. the lions tried desperately to score in the waning minutes; but the clock ran out with them on the muenster 18-yard stripe .

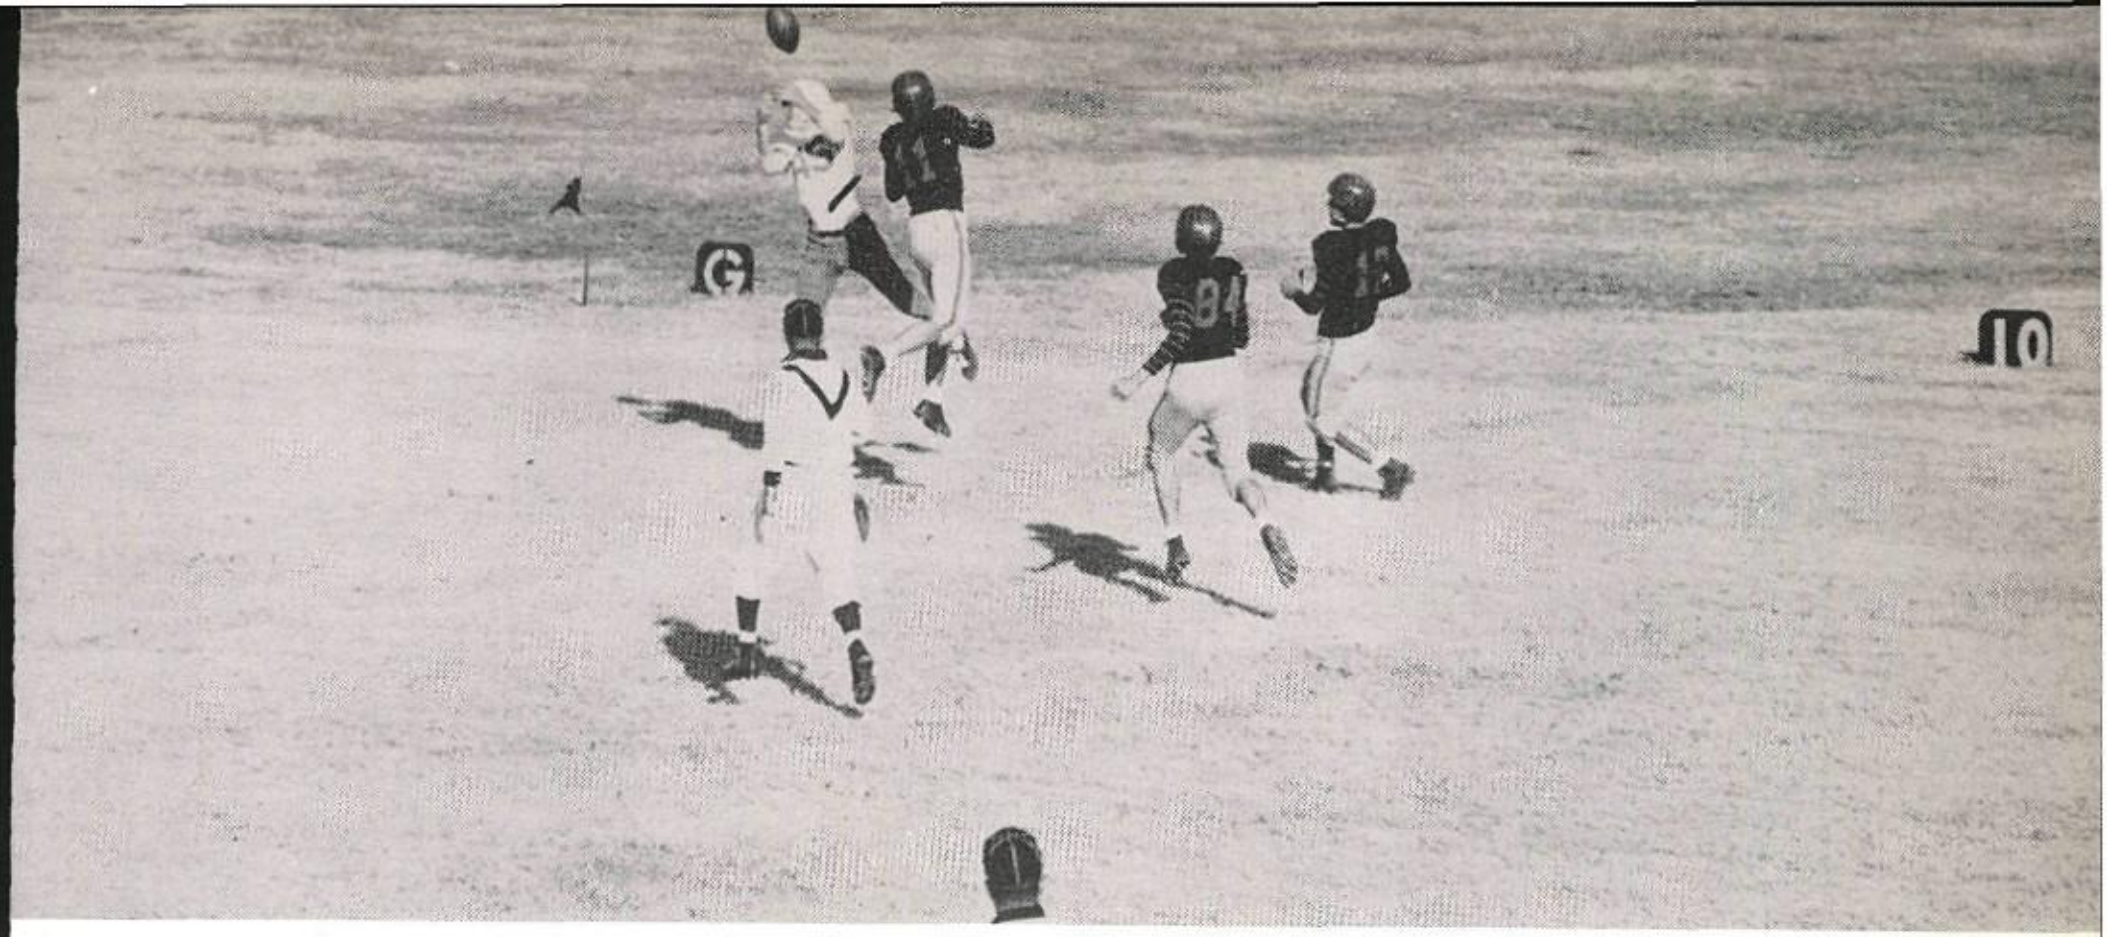
fred dungar



st. mark's 6 hi park "b" 13

a drenching rain doused the entire field ahead of game time. the lions displayed an unquenchable desire to win. facing one of the strongest hi park "b" teams in years, the lions outdid themselves. time and again they sloshed through the mud, once making it to hi park's two yard line before running out of steam. a rash of fumbles and an intercepted pass returned for 67 yards and a touchdown provided hi park with the winning score. hi park also scored on a methodical drive of 78 yards. joel hedge cracked over from the two yard line after john foxworth, john adams, and two passes by jim williams brought the ball from our 47 to within striking distance. the lions defense was exceptional, at one time staving off hi park on our own one yard line. this was the best team effort of the season and with a couple of breaks the game could easily have gone the other way.

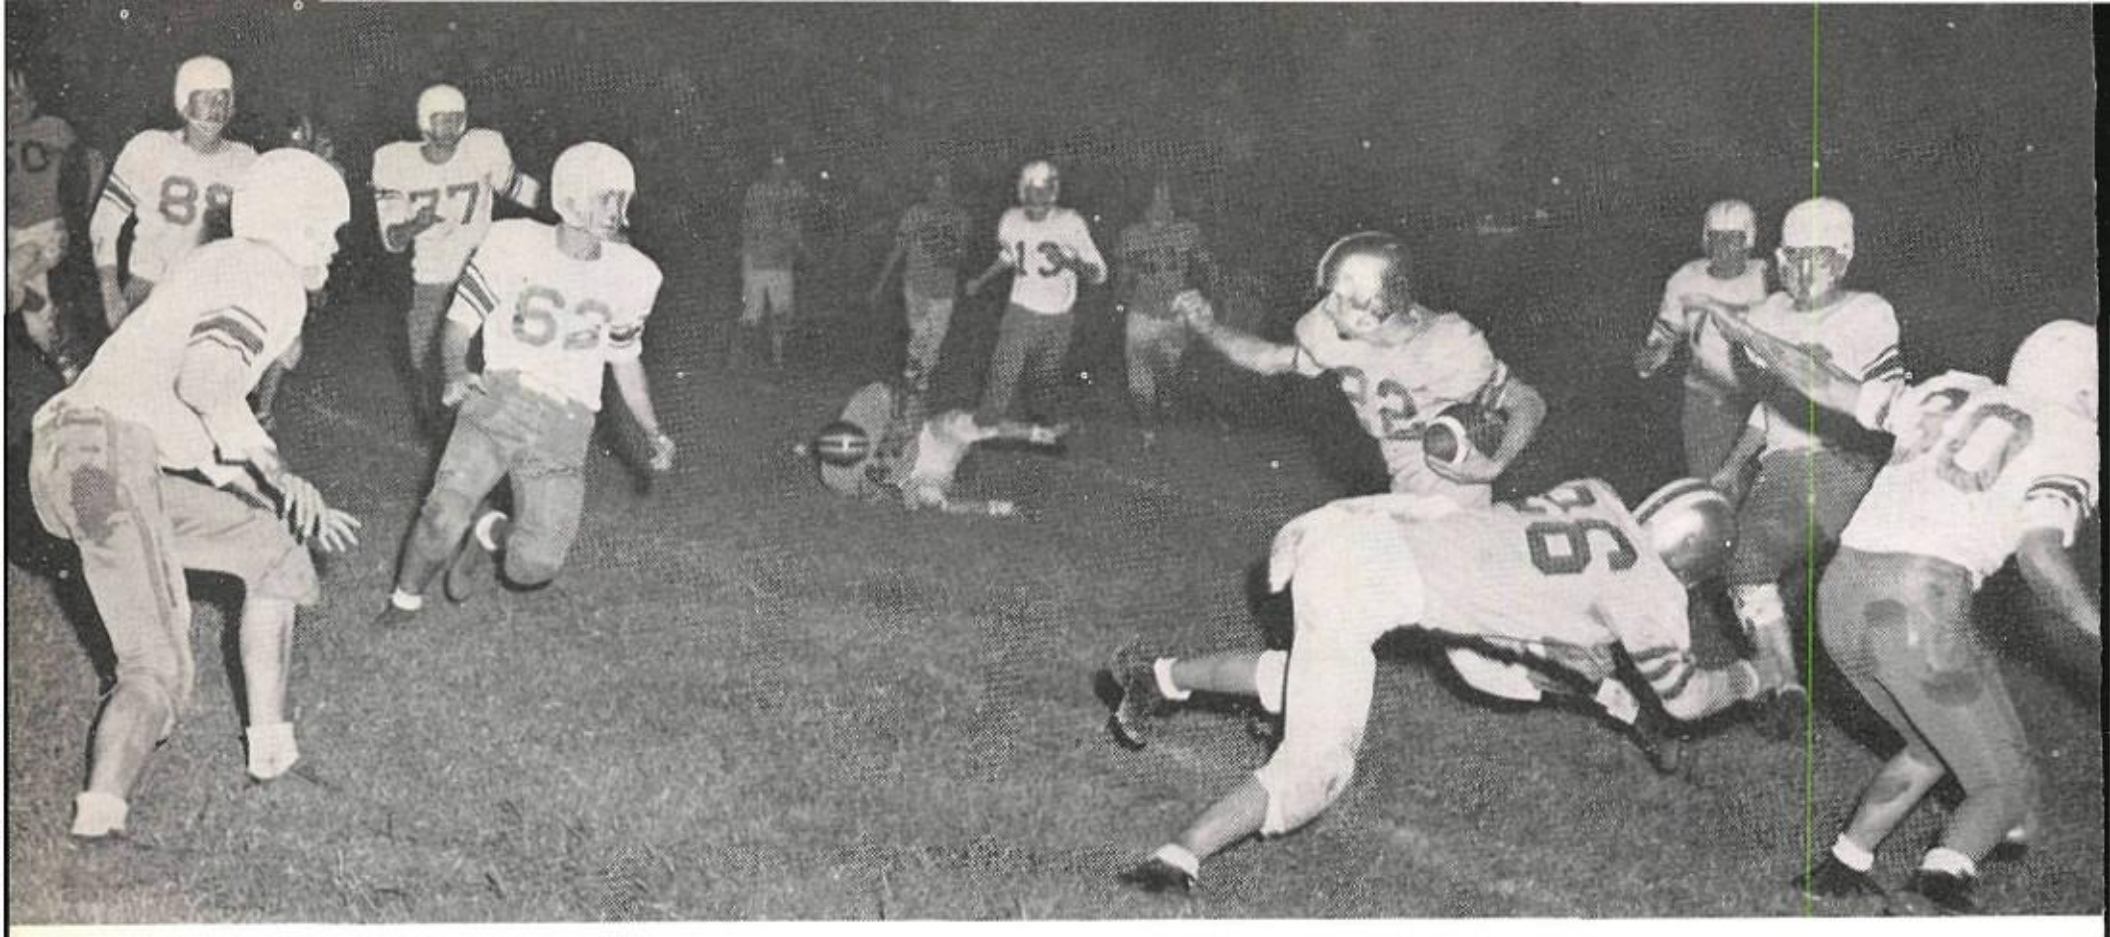
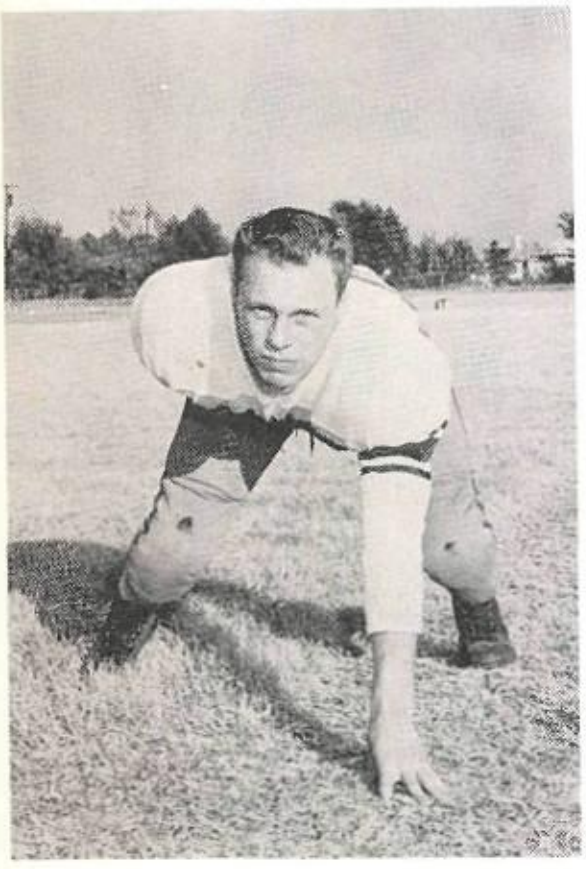
charlie greenhall





joel hedge

st. mark's 19 buckner 44

up against a buckner team that had won its last five games, the lions played brilliantly in spots, yet lacked enough defensive power to stop the strong hornet attack. jimmy williams, beating buckner at their own game, passed for 214 yards and three touchdowns. two of these went to right end bob pickens, who, because of injuries suffered in this game, couldn't play in the remaining games. the first touchdown pass was for 72 yards and gave the lions a temporary 7 to 0 lead. a 28 yard pass play in the second quarter went for the second lion score. late in the third quarter, john adams snared a williams pass and went 73 yards for the touchdown. st. mark's remained in the game until buckner took advantage of stray fumbles and passes to score their final two touchdowns. linebackers bob pickens, john foxworth, and plack carr had to do more than their share of the work, despite the fine work in the line by pat henry, tom gay, and fred honea.

pat henry

st. mark's 13 st. stephen's 41

a fighting st. mark's team traveled to austin this year only to be turned back, 41-13. it was a replica of the hi park game as far as fight goes; but the lions were just outmatched. even against such opposition the lions looked impressive and kept the st. stephen's fans worried until the final whistle. jim childers gave the best individual effort by hawking two st. stephen's fumbles, scoring a td, getting six tackles, and rolling for 36 yards. john adams gained a good 112 yards with a 10 yard per carry average. john foxworth scored the other st. mark's tally from the one. defensively, pat henry, rusty eversburg, john foxworth, jim childers, john adams, and tom gay led the way.

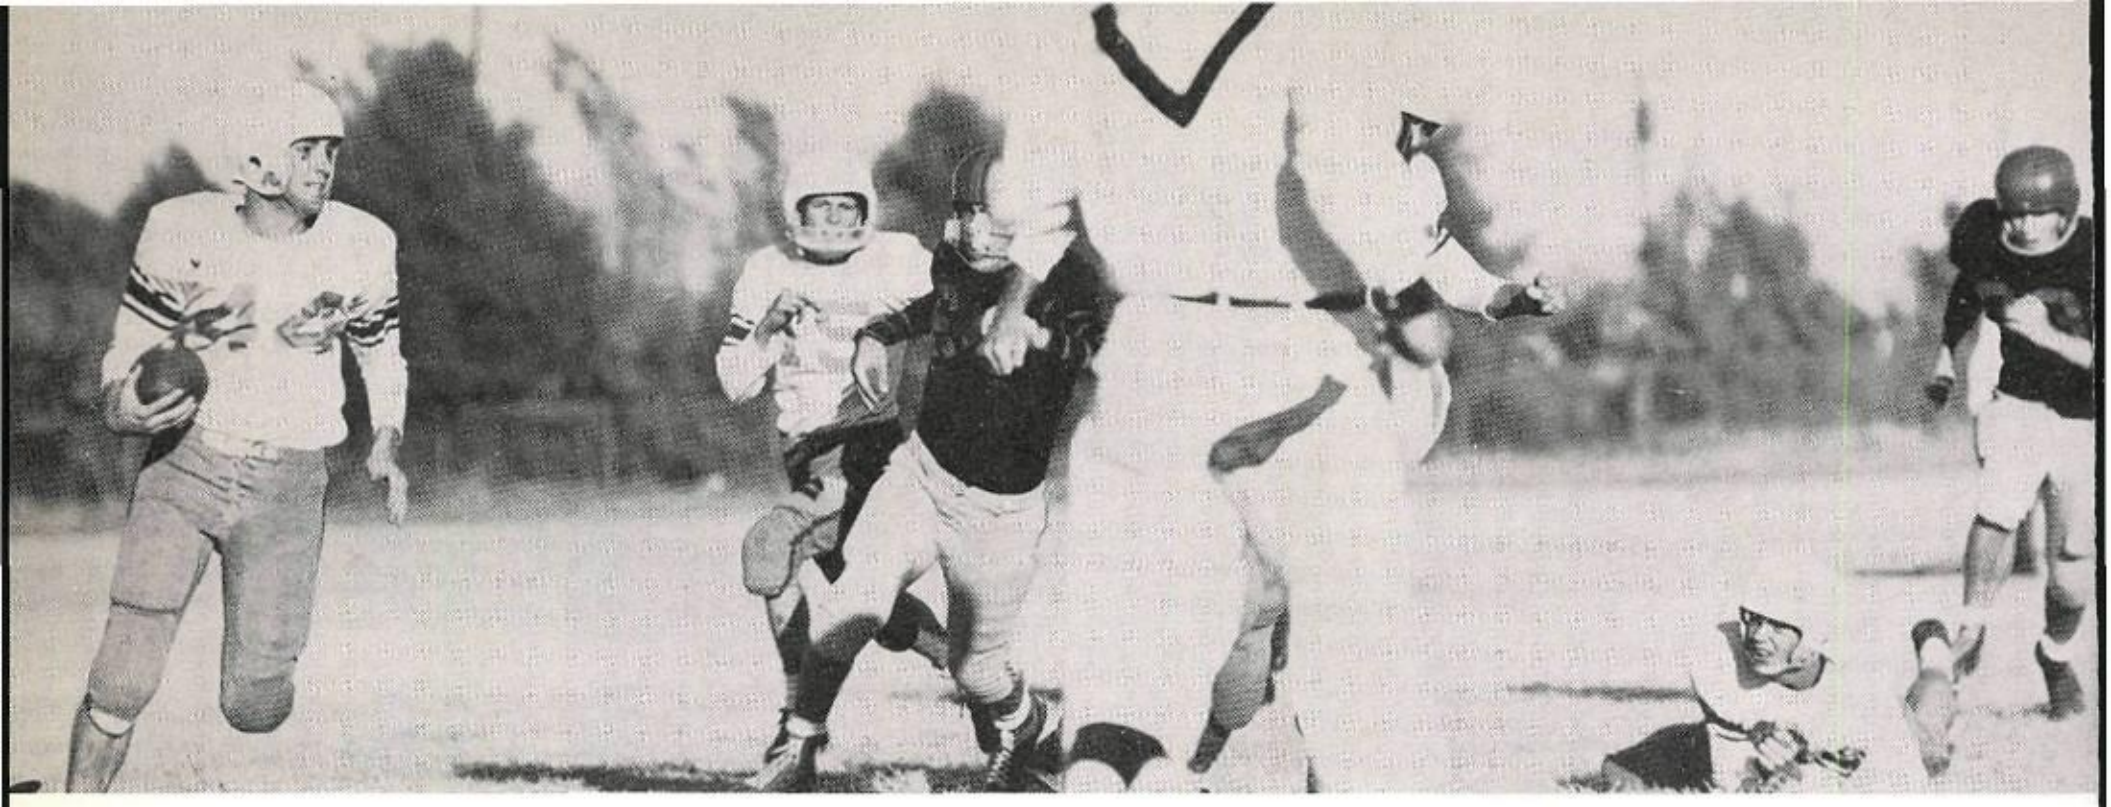
jim jeter



st. mark's 6 casady 47

it was a long trip back from oklahoma city this year for the lions. on the first play of the game the casady team went through the center of our line for 69 yards and a touchdown. the first half saw casady score almost at will in racking up a 34-0 lead. the second half provided the surprise of the season as the reserves held casady to two touchdowns while scoring one themselves. jim childers got 47 yards, scored our only td, caused two fumbles with his vicious tackling, and covered another. john adams got 35 yards and john foxworth got 38 yards. jim williams; who passed for 105 yards, passes to andy mayfield were the key drive for the lions. jim childers scored on a 25 yard pass play after jon ousley pounced on a casady fumble. key interceptions were made by jim williams and jim jeter while jon ousley got two fumbles and pat henry got one.

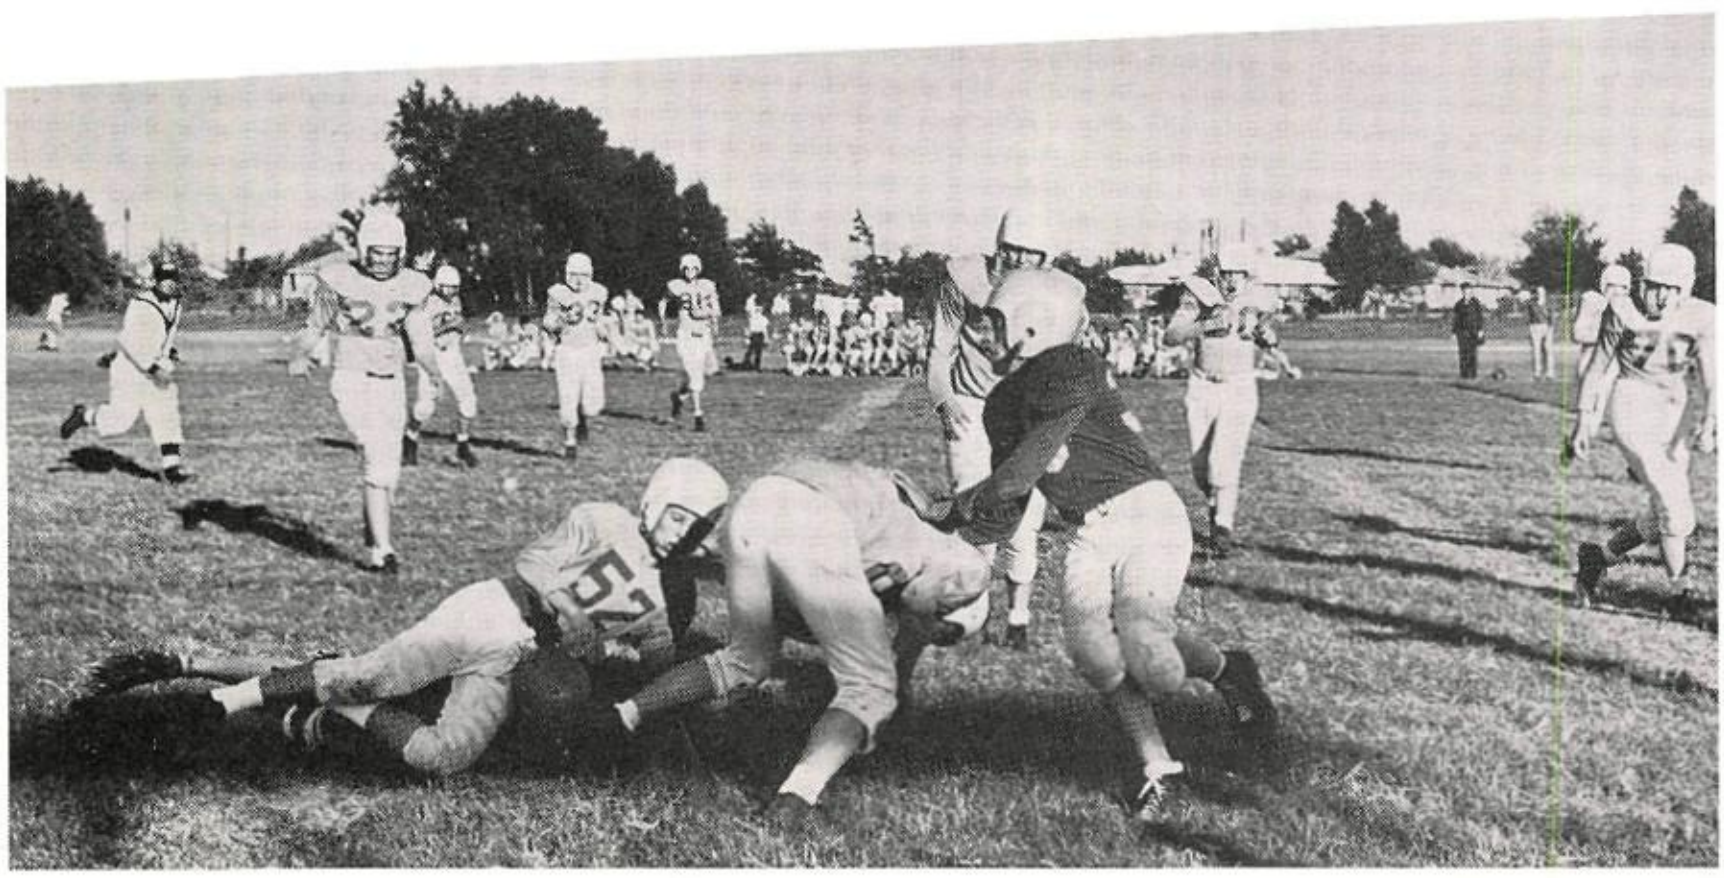
j.v. football

this year's j. v. football team, coached by mr. howard dunbar and mr. hayden schilling, had a rather unsuccessful season, as far as their won-lost record is concerned. however, a large number of boys turned out for the sport and pursued it with a great deal of enthusiasm. several boys showed signs of becoming the nucleus for our varsity team of the future. the team showed steady progress throughout the season and by the end of the schedule made a good showing against the casady j. v.'s.



standing, left to right: coach curry, richard dathe, jim childers, john foxworth, bob pickens, rod anderson, mike rudman, kenneth king, bob thornton, jim perkins, coach davis. kneeling: clarence zuvekas, leslie denning, mike mfarland, jim williams, plack carr, bill egan, john adams.

bremond—1 st. mark's—0

st. marks' opened the season at bremond. bremond outplayed us in the first half but failed to score. in the second half charlie greenhall held up the left side with his high kicks and ability to get out of tight spots. the lions, however, could not generate a scoring drive and bremond scored when our goalie caught the ball behind our goal.

casady—1 st. mark's—0

the lions journeyed to casady, oklahoma for their second game. the first half was a scoreless event. in the second half casady scored on a lobbed kick. our chances looked good when roger crawford held casady at bay and tom gay and dixon christian drove for the casady goal. the clock outran them and we had lost number two.

hi park—5 st. mark's—3

in the first half the red raiders with a stiff wind at their backs scored five goals. when the teams changed ends tom gay went to work and scored on a twenty-five yard free kick and two penalty kicks. the raiders held us thereafter.

allen academy—2 st. mark's—1

st. mark's played their sixth game of the season against allen academy. during the first half the lions couldn't get organized and allen pushed across two scores. st. mark's came back strongly in the second half. pat henry and chuck johnson bolstered the defense while tom gay and roger crawford charged allen's goal for one score and several near-misses.

bremond—3 st. mark's—2

st. mark's played its second game with bremond on our home turf. the lions were playing without several of their players. as per usual, the bremond team scored its three goals in the first half. the lions, who are turning out to be a second half team, outplayed bremond in the second half. bill burrow and terry lewis shone on defensive play. the lions cashed in for two goals with the help of dixon christian and charlie greenhall.

casady—0 st. mark's—1

st. mark's took its first win of the season in a "revenge" game against casady. the game was played on the local field immediately following a heavy downpour. it was nip and tuck for both teams all the way. and then, howard tygrett, who is forever after known as "thirty-second tygrett," came into the game and lobbed in a goal after receiving a pass from dixon christian and roger crawford. pat henry, lane newbury, and chuck johnson kept casady from scoring after that, while tom gay and roger crawford kept harassing the casady goal.

allen academy—1 st. mark's—0

st. mark's bowed to allen in the last game of the season. the lions were really out to win this one and stayed in allen's end of the field most of the game. pat henry and lane newbury were the standouts on defense. at the beginning of the second half, allen was awarded an indirect free kick. the lions watched unhappily as it sailed over their heads and into the goal. the lions, notably tom gay and joel hedge, made a fast comeback but could never quite get that all-important point.

back row, left to right: tommy wright, frank letcher, don oliver, bill castleman, bill scurry, john alexander, tom beckett, bill boncher, ricky buckner. front row: robert strauss, manager, jimmy ardrey, mart higginbotham, alan schoellkopf, greg hill, stuart mossman, john daniel, curt newbury, coach silknetter.

the junior varsity soccer team finished the season with a .500 percentage mark in almost every department. they got off to a slow start; but really began to click later in the season. they lost their first two contests by scores of 1-0 to casady and allen academy. the last two games were played on our home field. the jv's came through by winning both of the "revenge" contests by scores of 1-0. the jv's then entered the city tournament; but were eliminated in the first round.

st. mark's	4	jesuit "b"	3

st. mark's baseball 1956

this year's baseball season could probably best be described as "productive." st. mark's fielded an exceptionally young team. out of 14 regulars, there were eleven sophomores, two seniors, and a junior. next year, of course, the team will consist of the same boys playing together in positions they know, saving much time at the first of the season in instruction.

the term "productive" would be particularly true if applied to the pitchers. starting the season, st. mark's had bob pickins returning from last year's team. but, by the end of the season, jim childers, dick rogers, and fred dungan, had all drawn assignments. next year we should have at least four moundsmen capable of starting a game, a big improvement.

much credit should be given, also, to the increase of team and individual batting averages. five boys batted over .275, which is, itself, 25 points over last year's best effort. the team average was up from .180 to .226, a very large increase.

everything considered, next year st. mark's should field the best team in several years.

individual batting averages

players	ave.	ab	r	h	1	2	3	4	bb	so	hp
gay	.385	13	5	5	4	0	0	1	8	4	0
thornton	.368	38	8	14	8	4	1	1	6	10	0
pickens	.314	35	9	11	9	2	0	0	5	9	1
perkins	.294	34	12	10	6	3	1	0	7	9	2
mayfield	.278	18	3	5	5	0	0	0	5	6	0
childers	.200	30	8	5	4	1	0	0	8	7	0
dungan	.200	5	2	1	1	0	0	0	2	4	0
williams	.172	29	6	5	5	0	0	0	14	7	0
rogers	.167	6	2	1	1	0	0	0	1	3	0
smith	.143	7	3	1	1	0	0	0	2	4	1

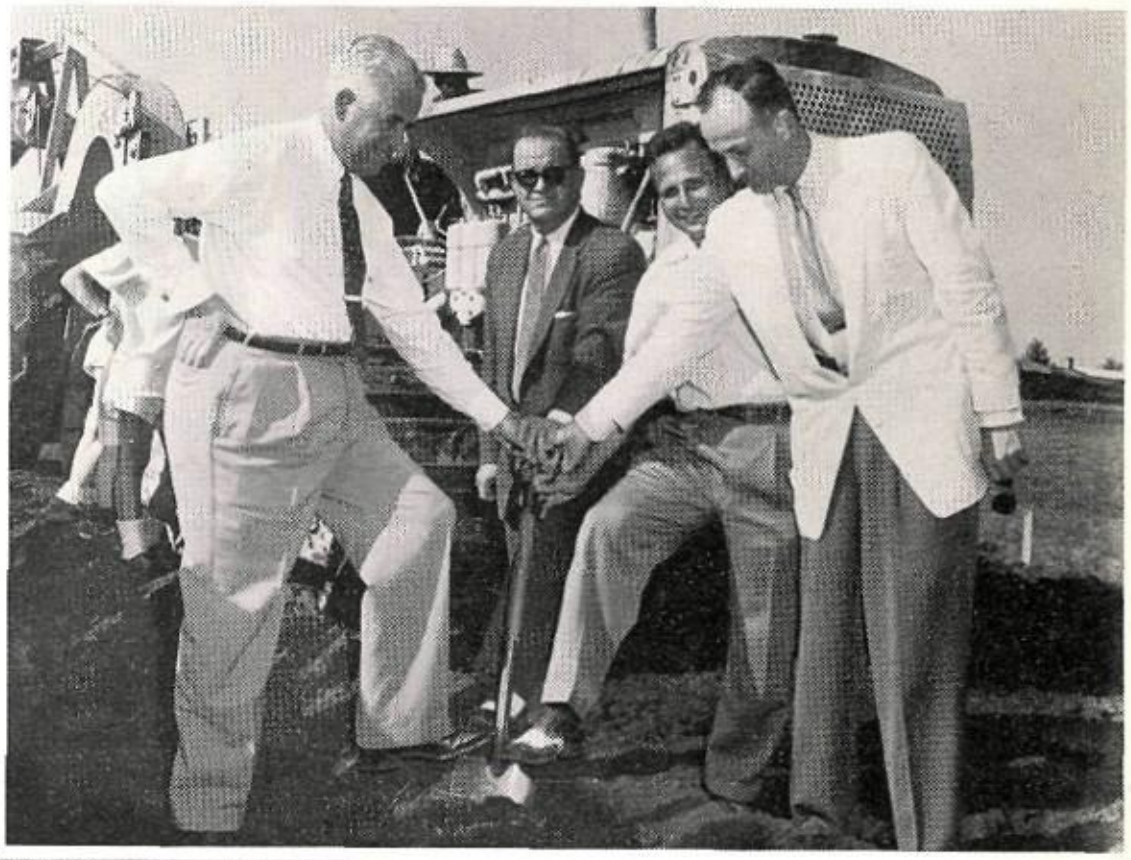
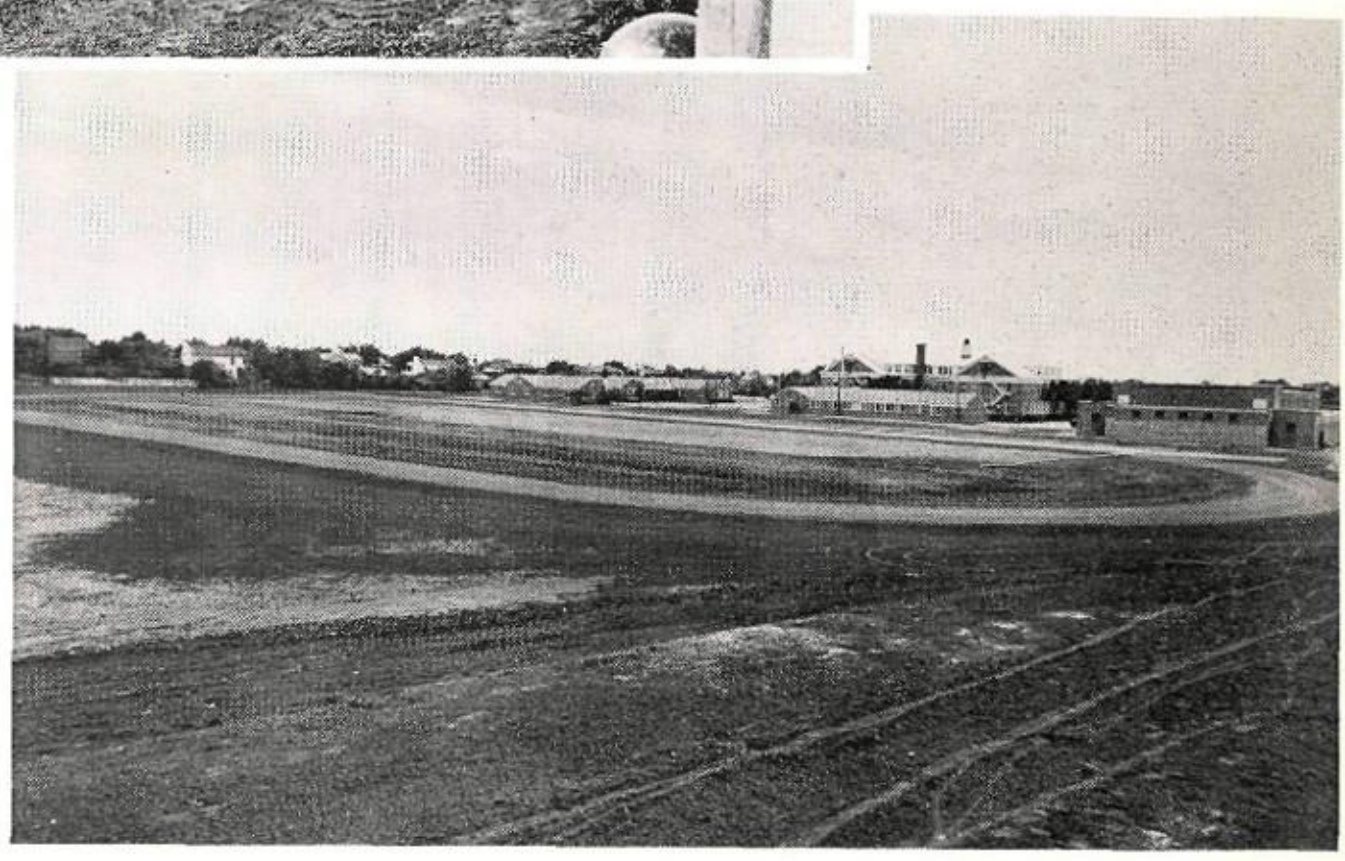
the new track —





track

bottom row: jacques, grey, koch, kraker, strauss, manager. second row: higgins, manager, johnson, king, taylor, eversburg, busiek, roper, hedge. third row: mr. neville, coach, denning, spencer, mcfarland, tygrett, christian, foxworth, howell, newbury, miller.

st. mark's fielded its first track squad in its recent history during the spring term under the direction of coaches rickard and neville. the runners engaged in an invitational meet with several schools at buckner and in two dual meets with waxahachie and buckner. highlights of the season were the wins recorded by lane newbury in the dashes and broad jump, and the fine high jumping of les denning and mike mcfarland.

other point makers were dixon christian, joel hedge, nelson spencer, howard tygrett, george busiek, john foxworth, chuck johnson, larry howell, bob kadane, bruce taylor, and george miller. leading the junior high track squad were reeve jacques, billy gray, curt newbury, and harry koch. managers for the squad were houston higgins and bobby strauss.

the 1956 track team worked out each afternoon on a temporary track on the front campus since our new track had not been finished at that time. our future track squads will have one of the best track and field plants in this area for our meets. many of last season's performers return next year and the outlook is bright for an outstanding track year. it is planned to hold several meets at st. mark's next year and an invitational meet that will become an annual affair is planned for competing teams in this area.
